NEWSLETTER

February 2012

Editor: Clare Hamilton

"achieving great things with little people..."
Education Through Care.

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

college@qccs.com.au

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Out	4:30	KB
Name	Katie Bryan	

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

I am happy with the current SOLIED ARTICLES policy Yes No

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

I am happy with the current SOLIED ARTICLES policy Yes No

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

college@qccs.com.au

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

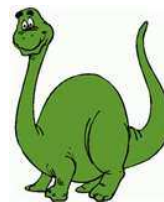

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

I am happy with the current SOLIED ARTICLES policy Yes No

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

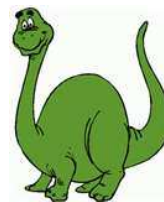

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

I am happy with the current SOLIED ARTICLES policy Yes No

NEWSLETTER

February 2012

Editor: Clare Hamilton

"achieving great things with little people..."
Education Through Care.

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

NEWSLETTER

February 2012

Editor: Clare Hamilton

"achieving great things with little people..."
Education Through Care.

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

NEWSLETTER

February 2012

Editor: Clare Hamilton

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.

Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

I am happy with the current SOLIED ARTICLES policy Yes No

NEWSLETTER

February 2012

Editor: Clare Hamilton

"achieving great things with little people..."
Education Through Care.

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as of **Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services

Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

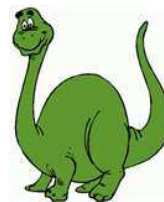

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

I am happy with the current SOLIED ARTICLES policy Yes No

NEWSLETTER

February 2012

Editor: Clare Hamilton

"achieving great things with little people..."
Education Through Care.

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

college@qccs.com.au

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. Well that is it from the office for now, please remember to come and see either Angela or myself if there is anything we can help you or your family with.

Until next time,
stay safe and keep smiling.
Miss Jess,
Centre Director.

Nursery

Welcome to all our new friends who have started in the Nursery Room. We also wish all the children luck who have just recently moved up into the Toddlers' Room.

Miss Lenita and Miss Brenda look forward to a wonderful start to the year and getting to know all our new friends. We have many different ideas planned for the year. We are going to start learning about textures, sight, touch and

sound. We are going to gather some different textures

and have fun exploring the feeling of all the different things.

We also encourage a lot of input from parents as it would be helpful if parents fill out a 'Parent Contribution' form each month on your child's interests and achievements.

If parents have any questions please feel free to come and see Miss Lenita and Miss Brenda or leave a note in your child's blue book. Miss Lenita and Miss Brenda.

Toddlers

Welcome to the Toddler Room for 2012. Your teachers for this year are Miss Kelly and Miss Kate. We are looking forward to a fantastic year with lots of fun and exciting experiences. We welcome Dillion, Lily, Jordan, Ryder, Imogen, Jason and Lachlan.

Just a reminder to all parents that you need to bring the following to childcare everyday: At least five nappies; water/milk bottles; sheets; hat; spare clothes; and dummies if you use them.

When parents arrive in the room in the morning please place water bottles into your child's basket on the shelf. All creams and powders need to have a chemist label on them and are to be given to a staff member in the morning.

So far this year the Toddlers' have been interested in dinosaurs and birds. We have created some great artwork and have done lots of leaning about these topics. If families have anything they would like to contribute to our learning areas we would greatly appreciate it.

We wish our friends who have moved up all the best and hope they have a great time in Pre-Kindy. Our children in the Toddler room are learning the routine and making friends fast. It is exciting to see the new friendships forming. A very Happy Birthday to Joseph and Conner who turn 2 in February.

See you in the next newsletter, Miss Kelly and Miss Kate.

Pre-Kindy

Welcome to all our new friends in this room, we look forward to an exciting new year of learning and fun. In this room Miss Kallie and Miss Sharni are

our teachers for the year. Just before Christmas Miss Kallie hurt her ankle again and has had to have some time off to let this recover so she can return to work. Until Kallie is able to return to the centre Miss Sylvia has stepped in with Miss Sharni to help out in the room.

Miss Sylvia and Miss Sharni will be concentrating on toilet training in the room and look forward to working with families to achieve this goal for you and your child.

If you have any questions please feel free to speak to Miss Sylvia or Miss Sharni.

Just a reminder to families, please bring in those everyday items; nappies, hats, spare clothes and sheets.

We are looking forward to a fun and educational year, Miss Sylvia and Miss Sharni.

Kindy

Welcome to the first newsletter from the Kindy Room. Miss Ang is looking forward to a fantastic year with all the children in the class. We have some new friends who have moved up from Pre-Kindy and we have some old friends who will be with us for the first half of the year. I'm sure we will all be great friends in no time.

As mentioned we are all excited to welcome Miss Claudia to the centre. Miss

Claudia and Miss Ang will be working closely together this year curriculum wise, so that we ensure consistency and a smooth transition for our children moving up to the School Readiness Room. We have some very exciting experiences planned and we welcome and encourage family feedback and input into our programs. We both believe family input is a vital part of your child's time here at the centre. We ask that our parents fill out the available parent input forms every month, so we as educators can program for your child's interests and developmental stages.

In Kindy this month we will be focussing on getting into our routine, making new friends and finding out where the class is at in terms of interests and development. Toilet training will also be a focus and we look forward to working with families to achieve our goals. If your child is in Kindy and is not toilet trained we would like to have a chat with you and make a plan of action. It is such an important achievement for the children and they really feel proud of themselves when they are trained.

We will also be looking at our Environment as inspiration for classroom activities. Plants and

animals give us a fantastic base to start the year off with.

What a fantastic year it will be, Miss Ang.

School Readiness

Welcome to all our children in the School Readiness Room for 2012.

Your teachers for this year are Miss Claudia and Miss Gemma. Miss Claudia is a Bachelor trained Early Childhood Teacher and Miss Gemma is studying her Certificate III in Children's Services.

We look forward to a fantastic and rewarding year with our class as we prepare them with the necessary skills to begin school with.

Our focus this year will be on literacy and

numeracy and ensuring that all the children are alphabet

and number aware as they begin formal schooling. We are also planning to incorporate some wonderful learning themes into the program and look forward to input from families.

Please feel free to make contact with Miss Claudia or Miss Gemma regarding any issues you may have or any ideas for our programming that may be of interest to your child.

Together we will achieve some great goals with your child and ensure they are happy and confident learners as they start school. Until next time Miss Claudia and Miss Gemma.

STORING OF CHILDREN'S SOILED ARTICLES

Any soiled articles pertaining to children of families will be placed in a plastic bag. This bag will be stored in a sealed container in the bathroom/laundry in a locked cupboard with the child's name and the date the soiled clothing was first stored clearly marked on the outside of the bag. A note will be placed in the sign in/out sheet for the parent to see the afternoon Group Leader regarding the collection of the soiled articles. Soiled clothes will not be rinsed or washed, as rinsing or washing soiled clothing at the centre can spread germs.

If the items have not been collected towards the end of the week, the parent will be contacted to collect them. If collection is not forth coming, the items will be disposed of.

At no time will soiled articles be stored where children can access them – this includes the children's bags.

THANK YOU

Please fill out the following and return.

I am happy with the current SOLIED ARTICLES policy Yes No

NEWSLETTER

February 2012

Editor: Clare Hamilton

"achieving great things with little people..."
Education Through Care.

From the Office

Welcome to our first Newsletter for 2012!

I cannot believe that the Christmas/New year period is over already. We would like to make a special mention to all our friends who have left our Centre to go and start their schooling life, we wish them all the very best in their future endeavours.

All our rooms and teachers have changed as **of Monday 24th Jan**, everyone is settling in well in their new groups and making new friends and great relationships with new teachers. On this note we are very excited to welcome our new **Bachelor Qualified Teacher** for the School

Readiness room Claudia Silby. We are so happy that she has chosen to join our team and we hope that you will all make her feel welcomed in to our

Centre. Claudia will be running the 'Kindergarten Approved Program' in our School Readiness Room as advertised in the media recently. If you have any questions regarding this program please feel free to speak with Claudia, she would be more than happy to explain the programme and include any suggestions you may have.

A few reminders for the start of the year;

➤ **Sheets for rest time.**

Please be reminded that each child in every classroom needs to bring a fitted cot sheet & a blanket/top sheet if wanted for rest time. These sheets need to

be taken home at the end of the week and washed and returned fresh for the next week. We are finding that children are turning up with no sheets at all and we do not have enough spare sheets in the Centre to accommodate each child for a comfortable rest period.

➤ **Hats & Sunscreen**

As the weather is warming up we are reminding parents daily that their children need a NAMED hat to enjoy and engage in our outdoor programmes. We also ask that after signing you child in to the Centre you apply sunscreen before entering the playground. We have placed a bottle of sun screen on the front desk for you convenience. If you are in a rush or have

AUSTRALIAN INSTITUTE OF
EARLY CHILDHOOD STUDIES

NEWS UPDATE

Ph (07) 3801 3962

Fax: (07) 3801 5144

college@qccs.com.au

The Australian Institute of Early Childhood Studies (AIECS) is the Registered Training Organisation for the management and staff of Queensland Child Care Services (QCCS). The training college was established in 2002 to act as the primary resource for the QCCS staff professional development and training in Childcare qualifications. The AIECS also provides nationally recognised qualifications in Early Childhood and Training and Assessment as well as first aid and CPR training. The college is run by a team of dedicated Early Childhoods specialists, each with over 10 years' industry experience.

The AIECS is currently leading the way in training in industry changes for centres across Queensland. A very important focus for both the college and the centre staff at present is the implementation of the Early Years Learning Framework, which came into practice in July 2010. AIECS and QCCS are amongst the first in Queensland to train and be trained for the transition to an Emergent Curriculum.

AIECS offers

- Certificate III in Children's Services
- Advanced Diploma in Children's Services
- First Aid & CPR
- Diploma in Children's Services
- TAE
- Professional Development

forgotten to put your child's sunscreen on in the morning please let the staff know so they can apply it for you.

➤ **Sign in sheets & Holidays.**

Please remember to sign your child in and out of the centre every time you are dropping them off and picking them up as these forms are legal documents and need to be signed correctly. See the example below. Another reminder is when your child is absent, you are keeping them home or you are taking a holiday it really helps us if you tell us this information as soon as possible, even ringing up in the morning of the day you are keeping them home assists us with staffing. If you are taking a holiday and you would like the holiday rate applied this needs to be in writing either on a holiday form found on the front desk or via email to the centre. Please see Angela or myself if you require any further clarification regarding either of these matters.
